## § 401.95

may nonetheless request notification of or access to a record in that system. You should make requests for notification of or access to a record in an exempt system of records in accordance with the procedures of §§ 401.35 through 401.55.

(2) We will grant you notification of or access to a record in an exempt system but only to the extent such notification or access would not reveal the identity of a source who furnished the record to us under an express promise, and prior to September 27, 1975, an implied promise, that his or her identity would be held in confidence, if:

(i) The record is in a system of records which is exempt under subsection (k)(2) of the Privacy Act and you have been, as a result of the maintenance of the record, denied a right, privilege, or benefit to which you would otherwise be eligible; or,

(ii) The record is in a system of records which is exempt under subsection (k)(5) of the Privacy Act.

(3) If we do not grant you notification of or access to a record in a system of records exempt under subsections (k) (2) and (5) of the Privacy Act in accordance with this paragraph, we will inform you that the identity of a confidential source would be revealed if we granted you notification of or access to the record.

(d) *Discretionary actions by SSA.* Unless disclosure of a record to the general public is otherwise prohibited by law, we may at our discretion grant notification of or access to a record in a system of records which is exempt under paragraph (b) of this section. Discretionary notification of or access to a record in accordance with this paragraph will not be a precedent for discretionary notification of or access to a similar or related record and will not obligate us to exercise discretion to grant notification of or access to any other record in a system of records which is exempt under paragraph (b) of this section.

### § 401.90 Contractors.

(a) All contracts which require a contractor to maintain, or on behalf of SSA to maintain, a system of records to accomplish an SSA function must contain a provision requiring the con-

tractor to comply with the Privacy Act and this part.

(b) A contractor and any employee of such contractor will be considered employees of SSA only for the purposes of the criminal penalties of the Privacy Act, 5 U.S.C. 552a(i), and the employee standards of conduct (see appendix A of this part) where the contract contains a provision requiring the contractor to comply with the Privacy Act and this part.

(c) This section does not apply to systems of records maintained by a contractor as a result of his management discretion, e.g., the contractor's personnel records.

### § 401.95 Fees.

(a) *Policy.* Where applicable, we will charge fees for copying records in accordance with the schedule set forth in this section. We may only charge fees where you request that a copy be made of the record to which you are granted access. We will not charge a fee for searching a system of records, whether the search is manual, mechanical, or electronic. Where we must copy the record in order to provide access to the record (e.g., computer printout where no screen reading is available), we will provide the copy to you without cost. Where we make a medical record available to a representative designated by you or to a physician or health professional designated by a parent or guardian under § 401.55 of this part, we will not charge a fee.

(b) *Fee schedule.* Our Privacy Act fee schedule is as follows:

(1) Copying of records susceptible to photocopying—\$.10 per page.

(2) Copying records not susceptible to photocopying (e.g., punch cards or magnetic tapes)—at actual cost to be determined on a case-by-case basis.

(3) We will not charge if the total amount of copying does not exceed \$25.

(c) *Other fees.* We also follow §§ 402.155 through 402.165 of this chapter to determine the amount of fees, if any, we will charge for providing information under the FOIA and Privacy Act.
